Due On or Before October 30, 2009

Dear Colleague:

This letter is a request to verify the enrollment status of Illinois Future Teacher Corps (IFTC) Program, Minority Teachers of Illinois (MTI) Scholarship, and DeBolt Teacher Shortage Scholarship (DTSS) recipients for whom our records indicate are enrolled at your school. Verification of enrollment is needed to meet compliance requirements for each program for the 2008-09 academic year.

The enclosed *2008-09 Enrollment Status Verification for Compliance* roster(s) provides a listing of recipients in Social Security Number (SSN) order. Complete the "Enrollment Status" and "Status Date" columns for each recipient using the status codes that are provided as part of the *2008-09 Program Enrollment Status Verification Form*.

The following forms can be mailed or faxed to ISAC and must be returned to ISAC on or before **October 30, 2009**.

- Completed *2008-09 Verification for Compliance* roster;
- Signed and dated *2008-09 Enrollment Status Verification Form*;

Your prompt response will assist ISAC in identifying those award recipients who are required to begin fulfilling teaching requirements (i.e., those individuals who are no longer enrolled). ISAC monitors recipients' fulfillment of each program's teaching requirement. If the recipient fails to meet the teaching requirement, the scholarship converts to a loan. The entire teacher scholarship program award received must be repaid, prorated according to the fraction of the teaching requirement not completed, and may include any reasonable collection costs.

If you have any questions concerning the IFTC, MTI, or DTSS Programs, do not hesitate to contact a School Services Representative at schoolservices@isac.org or at 866.247.2172. Additional information regarding teaching requirements is available at collegezone.com.
