This letter is to notify you that the Illinois Student Assistance Commission (ISAC) has received your *2009-10 Teacher Education Scholarship Programs Application/Promissory Note*, which is used to apply for the Illinois Future Teacher Corps (IFTTC) Program and/or the Minority Teachers of Illinois (MTI) Scholarship Program. Your application/promissory note was received on or before the priority consideration date of March 1, 2008 and it is complete - unless you need to make changes there is nothing else you need to do at this time.

Award announcements will begin in late summer 2009. All ISAC scholarships are limited based on the number of eligible applicants and funding levels appropriated by the Illinois General Assembly. Therefore, you are encouraged to continue seeking additional financial aid resources to fund your educational expenses.

Processing updates and instructions for changes are available on our Web site, **collegezone.com**. If you have questions please contact a College Zone Counselor.

If you applied for IFTTC, you must file a 2009-10 *Free Application for Federal Student Aid* (FAFSA) in order to determine your Expected Family Contribution (EFC). Students may file the FAFSA electronically by accessing FAFSA on the Web at **fafsa.ed.gov**.

It is your responsibility to immediately notify ISAC, in writing, of any changes to:

- your permanent home address and/or telephone number;
- the college you indicated on your application; and/or
- your request to be considered for this scholarship.

ISAC administers other scholarship, grant and loan programs that can provide financial assistance to help you pay for college. To learn more about the financial aid process and available programs, visit College Zone — the trusted source for college information — at **collegezone.com**. You may also communicate directly with an ISAC College Zone Counselor via telephone at 800.899.ISAC (4722) or e-mail at collegezone@isac.org. In addition, you can find a variety of informational brochures through our Web site.
