NOTICE OF UNAVAILABLE FUNDS FOR ALL QUALIFIED APPLICANTS

This letter is to inform you that, due to limited funding, the Illinois Student Assistance Commission (ISAC) cannot award you a scholarship for the 2011-12 Illinois Future Teacher Corps.

You meet the requirements of the program and are considered a qualified applicant. However, based on the amount of program appropriation, funding will not be available to award individuals who are seeking initial teacher certification but neither agree to teach in a teacher shortage discipline nor in a hard-to-staff school.

If you have any questions, please contact an ISAC Call Center Representative via telephone at 800.899.ISAC (4722), or e-mail at isac.studentservices@isac.illinois.gov.

ISAC administers other scholarship and grant programs that can provide financial assistance to help you pay for college. To learn more about the financial aid process and available programs, visit our website, collegeillinois.org. In addition, you can find a variety of informational brochures through our website.
