Definitions:

Tuition is the charge for instruction assessed by a college.

Mandatory Fees are charges assessed by a college to every full-time student for each term.

*Additional benefits are available to recipients who were assessed IVG eligibility units during the spring and/or summer 2005 term(s). Those recipients may continue to receive IVG benefits for any of the certain allowable fees listed (even if they are not the same fees) as long as they remain enrolled in a continuous program of study.
